### Skills

### About Me

Hello! I'm Alexander and currently I'm a student at BINUS University Streaming in software engineer who is interested in Backend Developer.

I have technology interest in Java, SQL and since I'm interested in Backend I'm learning about Java Spring Boot and hope to be an expert on this framework.

Enthusiastic Backend Developer looking to contribute to team success, attention to detail, I use GitHub and GIT for my team work on several projects. Clear understanding of jobdesc. Motivated to learn, grow, and excel in the industry.
